## **Bankruptcy Board of India (Liquidation Process) (Amendment) Regulations, 2019 are:**

- The amendments specify the process for sale of corporate debtor as going concern, and sale of business of corporate debtor as going concern under liquidation. These also provide that where a corporate debtor is sold as a going concern, the liquidation process shall be closed without dissolution of the corporate debtor.
- The amendments require completion of liquidation process within one year of its commencement, notwithstanding the pendency of applications for avoidance transactions. These provide a model timeline for each task in the liquidation process. **It also specifies a maximum time of 90 days from the order of liquidation for completion of compromise or arrangement**, if any, proposed by the stakeholders under section 230 of the Companies Act, 2013.
- **The amendments require the financial creditors, who are financial institutions, to contribute towards the liquidation cost**, where the corporate debtor does not have adequate liquid resources to complete liquidation, in proportion to the financial debts owed to them by the corporate debtor, in case the CoC did not approve a plan for such contribution during corporate insolvency resolution process. However, such contribution along with interest at the bank rate thereon shall form part of liquidation cost, which is paid in priority.
- **The amendments provide for the constitution of a Stakeholders' Consultation Committee** having representation from secured financial creditors, unsecured financial creditors, workmen and employees, government, other operational creditors, and shareholders/partners to advise the liquidator on matters relating to sale. However, the **advice of this committee is not binding on the liquidator**.
- The amendments require that a stakeholder may submit its

claim or update its claim submitted during the corporate insolvency resolution process, as on the liquidation commencement date. Along with submission of claim, a secured creditor shall inform the liquidator of its decision to relinquish its security interest to liquidation estate or to its security interest.

- The amendments have introduced a **comprehensive compliance certificate** to be submitted along with the final report to the Adjudicating Authority.
