

# Ayush Clinical Case Repository (ACCR) portal

May 29, 2021

**In news-** The ministry of AYUSH (Ayurveda, Yoga, Naturopathy, Unani, Siddha, Sowa-Rigpa and Homoeopathy) launched the **clinical repository portal and Ayush Sanjivani mobile application**.

## **About the portal-**

- The **Ayush Clinical Repository (ACCR) portal** will serve as a **platform to support both Ayush practitioners and the general public**.
- This portal aims to aggregate information about **clinical outcomes achieved by Ayush practitioners** on a large scale.
- It will facilitate dissemination of information and further **analysis and research**.
- It is expected to document the **strengths of Ayush systems for treatment of various disease conditions**.
- It will help widen the **scientific base of all streams of AYUSH**.
- One notable feature of the ACCR portal is the **dedicated section for reporting and publishing details of Covid 19 cases treated through Ayush Systems**.
- The **Ayush Sanjivani app (third version)** is on Google Play Store and iOS.
- It facilitates a significant study and documentation regarding the efficacy of selected Ayush interventions including **Ayush 64 and Kabasura Kudineer medicines** in the management of asymptomatic & mild to moderate Covid 19 patients.
