Cauvery — Vaigai — Gundar river interlinking project

March 19, 2021

In News: Chief Minister Edappadi K. Palaniswami laid the foundation stone for the first phase of the Cauvery-South Vellar-Vaigai-Gundar intra-State river-link project.

Cauvery-Vaigai Link Canal:

- The Cauvery Vaigai Gundar link is an integral part of the Peninsular Rivers Development component under the National Perspective Plan proposals.
- Cauvery-Vaigai Link Canal Project is a project envisioned by the Government of Tamil Nadu, linking Kaveri and Vaigai rivers.
- Tamil Nadu depends heavily on the rivers flowing from the neighboring states of Kerala and Karnataka.
- State government started this project linking Kaveri and Vaigai rivers which would benefit during the drier seasons.
- Project involves construction of a 60-kilometre (158.82 mi) long canal from Mayanur in Karur district to link river Kaveri with Vaigai.
- National Water Development Agency, the gravity canal will provide water for irrigating an additional area of 3.38 lakh hectares and for domestic and industrial water supply.
- The Cauvery Vaigai Gundar link project lies entirely in Tamil Nadu State.
 - This link is an integral part of the Mahanadi Godavari Krishna -Pennar Cauvery Vaigai Gundar link, which envisages transfer of surplus Mahanadi and Godavari waters that would be brought into the Krishna river to Pennar and from there to Palar, Cauvery, Gundar etc.

- Hence, a broad consensus amongst the States of Orissa, Maharashtra, Madhya Pradesh, Chattisgarh, Karnataka, Andhra Pradesh, Tamil Nadu, Kerala and Pondicherry has to be reached before taking up the project.
- The command area of the link project lies in Karur, Tiruchchirappalli, Pudukottai, Sivaganga, Ramanathapuram, Virudhunagar and Thoothukudi districts of Tamil Nadu State.
