

Civil Air Navigation Services Organisation (CANSO) Conference

November 2, 2022

In news- Goa has hosted the Civil Air Navigation Services Organisation (CANSO) Conference recently.

About CANSO-

- CANSO is the global voice of the air traffic management (ATM) industry and is shaping our future skies.
- Its members support over 90% of the world's air traffic and include air navigation service providers, airspace users and operators, manufacturers and aviation industry suppliers.
- It brings the world's air navigation service providers, leading industry innovators and air traffic management specialists together to share knowledge, develop best practice and shape the future for secure and seamless airspace.
- The organization looks on global Air Traffic Management performance by connecting the industry to share knowledge, expertise and innovation.
- It Maintains an international forum for developing and exchanging ideas on current air traffic management related issues.
- **"Think Global, Collaborate Regional, Accomplish Local" was the theme of the 2022 conference.**

Airports Authority of India(AAI)-

- It is responsible for the provision of Air Navigation Services over the Indian continental airspace and adjoining oceanic airspace, delegated to India by ICAO.
- **AAI also functions as the major airport operator in**

India, responsible for management of 133 Airports in the country.

- AAI's vision is to be World's leading Airport Developer, Operator and Air Navigation Service Provider with a mission to enhance air connectivity across the nation and be an environment conscious sustainable organization using the state of the art and indigenous technology for cost effective, modern, safe airport operations and air navigation services.
