

Difference between PMNRF and PMCARES

January 21, 2021

What is PMNRF?

- Prime Minister's National Relief Fund in India is the fund raised to provide support for people affected by natural and man made disasters.
- In pursuance of an appeal by the then Prime Minister, Pt. Jawaharlal Nehru in January, 1948, the Prime Minister's National Relief Fund (PMNRF) was established with public contributions to assist displaced persons from Pakistan.
- The resources of the PMNRF are now utilized primarily to render immediate relief to families of those killed in natural calamities like floods, cyclones and earthquakes, etc. and to the victims of the major accidents and riots.
- To undertake and support relief or assistance of any kind relating to a public health emergency or any other kind of emergency, calamity or distress, either man-made or natural, including the creation or upgradation of healthcare or pharmaceutical facilities, other necessary infrastructure, funding relevant research or any other type of support.
- To render financial assistance, provide grants of payments of money or take such other steps as may be deemed necessary by the Board of Trustees to assist the affected population.
- To undertake any other activity, which is not inconsistent with the above Objects.

What is the PM CARES Fund?

- The Prime Minister's Citizen Assistance and Relief in

Emergency Situations Fund is a public charitable trust.

- It has been set up keeping in mind the need for having a dedicated fund with the primary objective of dealing with any kind of emergency or distress situation, like posed by the COVID-19 pandemic, and to provide relief to the affected.
