

Digital platform 'FASTER'

April 2, 2022

In news— Chief Justice of India N V Ramana launched FASTER (Fast and Secured Transmission of Electronic Records) platform recently.

About FASTER digital platform-

- It is a **digital platform to communicate interim orders(e-copies), stay orders, bail orders etc., of the Supreme Court to intended parties/** authorities concerned through a secured electronic communication channel.
- The FASTER system is **developed on war footing by the Registry in collaboration with the National Informatics Center.**
- To reach all districts of India through this system, so far 73 nodal officers have been nominated at various levels.
- All nodal officers have been connected through a specific Judicial Communication Network (JCN) by creating a secured pathway.
- **A FASTER cell** has been established in the Registry of the Supreme Court.
- **The cell will transmit digitally signed records of proceedings or orders** related to bail and release passed by the court to the nodal officers and duty holders concerned through email.
