

# Finland joins NATO

April 6, 2023

**In news**— Finland has recently joined NATO as 31st member upon depositing its instrument of accession to the North Atlantic Treaty with the United States at NATO Headquarters in Brussels.

## Key updates-

- To join the US-led NATO, the small Nordic country, which **shares a 1,340-km border with Russia**, has **ended more than 70 years of military non-alignment**.
- In fact, in the Cold War years, a policy of neutrality between the Soviet Union and the West was known as '**Finlandisation**', and Finlandisation had been one of the options discussed for Ukraine before Russia invaded it.
- Finland's membership represents a major change in Europe's security landscape: The country adopted neutrality after its defeat by the Soviets in World War II.
- NATO Allies signed Finland's Accession Protocol on 5 July 2022, after which all 30 national parliaments voted to ratify the country's membership.
