FIST programme will now be reinvented to FIST 2.0

About FIST programme

- •FIST refers to the Fund for Improvement of S&T Infrastructure in Universities and Higher Educational institutions programme
- It supports scaling up of the network of infrastructural facilities for teaching and research in Universities and higher educational institution
- The support for five (5) years to any PG College or a department/centre / School of any University or academic Institute is considered for augmentation of postgraduate teaching and research facilities in four areas i.e.,
 - Basic Equipment
 - 2. Networking & Computational Facilities
 - 3. Research Infrastructure and
 - 4. Maintenance of equipment.

FIST 2.0

The immensely successful FIST programme will now be reinvented to FIST 2.0 to orient it towards the goal of Atmanirbhar Bharat so as to create R&D infrastructure not only for experimental work but also to cater to theoretical work, ideas and entrepreneurship

- It will also link up programmes like
 - 1. FIST
 - Sophisticated Analytical Instrument Facilities (SAIF), and
 - 3. Sophisticated Analytical & Technical Help

Institutes (SATHI), all of which are designed to set up S&T infrastructure centres at different levels —department, university, regional and national level respectively.
