

Global Clean Energy Action Forum

September 24, 2022

In news—India participated in Global Clean Energy Action Forum, a joint convening of the 13th Clean Energy Ministerial and the 7th Mission Innovation ministerial hosted by USA.

About the Forum-

- Forum was held from September 21 to 23 in Pittsburgh, Pennsylvania, USA.
- Over 30 countries participated in the event to discuss ways of accelerating clean energy innovation and deployment.

Clean Energy Ministerial(CEM) & Mission Innovation Ministerial-

- It is a **high-level global forum to promote policies and programmes** that advance clean energy technology, to share lessons learned and best practices, and to encourage the transition to a global clean energy economy.
- The CEM brings together a community of the world's largest and leading countries, companies and international experts to achieve one mission –accelerate clean energy transitions.
- Mission Innovation(MI) is a **global initiative catalysing a decade of action and investment in research, development and demonstration to make clean energy** affordable, attractive and accessible for all.
- This will accelerate progress towards the Paris Agreement goals and pathways to net zero.
- MI has 23 countries and the European Commission (on behalf of the European Union) as members.
- The coveted joint convening of the Clean Energy

Ministerial (CEM13) and Mission Innovation (MI-7) were organised by the U.S. Department of Energy and Carnegie Mellon University.

- The theme for CEM13/MI-7 is *Rapid Innovation and Deployment*.
- Note: India will host the 14th edition of the Clean Energy Ministerial (CEM) in 2023.
