

# Government e-Marketplace (Gem)

May 29, 2020

- Government e-Marketplace (Gem) is a web portal to facilitate online procurement of common use Goods & Services required by various Government Departments / Organizations / PSUs.
- Gem aims to enhance transparency, efficiency and speed in public procurement.
- It provides the tools of e-bidding, reverse e-auction and demand aggregation to facilitate the government users to achieve the best value for their money.
- All Central government and State Government Ministries/Departments including its attached/subordinate offices, Central and State autonomous bodies, Central and State Public Sector Units and local bodies etc. are authorized to make procurement through Gem portal.
