

INDIA CEO FORUM ON CLIMATE CHANGE

November 5, 2020

In News

Recently Union Ministry of Environment, Forest and Climate Change has decided to conduct India CEO Forum on Climate Change.

More Information

Purpose of the forum

To have a coordinated response by the Government and private sector on climate change to meet India's Nationally Determined Contribution (NDC) goals of the Paris Agreement under the United Nations Framework Convention on Climate Change.

Thus, a 'Declaration of the Private Sector on Climate Change' is slated to be signed and released in the forum
