

India Global Week

July 9, 2020

The three-day summit is being held on a virtual platform given restrictions due to the covid-19 pandemic. Themed '**Be The Revival: India and a Better New World**', the event will have **5,000 global participants from 30 nations.**

India Global Week

India Global Week is one of the biggest **international events on India's globalisation.** Its objective is to re-energise and ignite optimism, but also inspire action. From geopolitics to business, arts & culture to emerging technologies, banking and finance, pharma, defence and security, social Impact and the all-important diaspora dividend, it aims to bring about an **action-oriented focus to global deliberations.**

India Inc. Group—the UK-headquartered **media house** behind flagship publications 'India Global Business' and the recently-launched **diaspora news network 'iGlobal'** are the event organisers.

Key Takeaways from Prime Minister's Address

- Atma Nirbhar Bharat not about being self-contained or closed to the world; it is about being self-sustaining, self-generating.
- The pandemic has once again shown that India's pharma industry is an asset not just for India but for the entire world. It has played a leading role in reducing the cost of medicines, especially for developing countries.
- The Indian tech industry has been showing the way for decades.
- History has shown that India has overcome every challenge with a spirit of reform and rejuvenation. The same spirit continues now.
