## About IAMC-H-

- IAMC-Hyderabad is **India's first arbitration centre for alternative dispute resolution.**
- It is operating from a temporary campus at Nanakramguda, following its inauguration in December 2021.
- Proposed by the International Arbitration and Mediation Centre Trust, it will **assist in resolving commercial and legal conflicts** by providing efficient, cost-effective, and impartial methods of eliminating hurdles at various stages of the life cycle of the conflict.
- It **provides both Arbitration and Mediation services**, by combining first-class client service, cutting-edge technology, top-notch facilities and highly experienced arbitrators and mediators to provide tailored, in-person, virtual and hybrid conflict resolution services.
- It **also facilitates the adoption of mediation and arbitration – through the processes of Med-Arb and Arb-Med-Arb**, by which parties get the advantages of both arbitration and mediation in finding a resolution to their disputes.
- **Its operations will be managed** by a Secretariat of proficient and qualified staff and guided by an

**autonomous Governing Council consisting of legal luminaries**, industry veterans and experts in the field of arbitration and mediation from India and abroad.

- A highly eminent **board of Trustees composed of senior Judges and the Law Minister of Telangana shall oversee the functioning of the Centre at a policy level.**
- IAMC would also provide immense flexibility by enabling provisions for administering arbitrations not only in accordance with the Rules of the Centre but also ad-hoc arbitrations as well where parties have chosen to use another set of rules such as UNCITRAL.
