Kisan Rail

February 7, 2020 <u>Source:</u> PIB & Union Budget 2020-21

In line with the goal of doubling farmers' incomes by 2022 Union Government in its Budget 2020-21 initiated the Kisan Rail scheme. The budget proposes that "To build a seamless national cold supply chain for perishables, inclusive of milk, meat and fish, the Indian Railways will set up a "Kisan Rail"through PPP arrangements. There shall be refrigerated coaches in Express and Freight trains as well."

Initiatives that have already been taken by the Indian Railways:

Towards fulfillment of the budget proposals, following are the major initiatives which have already been taken by Indian Railways regarding Development of Cold Chain for Transportation of Perishable Traffic

- Refrigerated Parcel Vans: New design of Refrigerated Parcel Vans (VPR, carrying capacity of 17 tonnes) for transportation of highly perishable parcel traffic was developed, and procured through Rail Coach Factory Kapurthala. At present, the Indian Railway has a fleet of nine (09) Refrigerated Parcel Vans available.
- These Refrigerated Parcel Vans are booked on a roundtrip basis and are charged at 1.5 times the freight of normal VP as per the category of the train.
- Reefer (Ventilated Insulated) Rail Containers: 98
 Ventilated Insulated Containers (Carrying capacity 12
 Tonnes per container, rake composition 80 containers)
 have been procured, through CONCOR, for movement of
 fruits and vegetables to different parts of the country.
- Cold Storage Facilities for Perishables: 'Temperature controlled perishable cargo centres' have been

commissioned at Ghazipur Ghat (U.P), New Azadpur (Adarsh Nagar, Delhi) and Raja ka Talab (U.P) as a pilot project under Kisan Vision Project by CONCOR under CSR initiative. Another project is under construction at Lasalgaon, Nasik (Maharashtra).

- Approval has been granted to Central Railside Warehousing Corporation (CRWC) to develop temperature controlled storages at Fatuha and Mancheswar.
- The cold storage facility has also been developed at Dadri. Fresh & Healthy Enterprise Ltd. (FHEL) has been redeveloped as Agriculture Logistic Center at Rai, Sonepat. This facility is CONCOR's 100% own subsidiary developed in an area of 16.40 acres of land.
