

National Conference on Capacity Building of Sustainable Food Value Chains

September 20, 2019

Source: PIB & Website of NPC

A two-day National Conference on Capacity Building of Sustainable Food Value Chains for Enhanced Food Safety and Quality **organized by National Productivity Council (NPC) in collaboration with the Asian Productivity Organization, Tokyo, Japan was held in New Delhi.**

About the National Productivity Council (NPC)

- NPC is a national level organization to promote productivity culture in India.
- **Established by the Ministry of Industry, Government of India** in 1958, it is an **autonomous, multipartite, non-profit organization** with equal representation from employers' & workers' organizations and Government, apart from technical & professional institutions and other interests.
- NPC is a **constituent of the Tokyo-based Asian Productivity Organisation (APO), a Body, of which the Government of India is a founder member.**
- NPC teams up with its clients to work out solutions towards accelerating productivity, enhancing competitiveness, increasing profits, augmenting safety and reliability and ensuring better quality.
- It provides a reliable database for decision-making, improved systems and procedures, work culture as well as customer satisfaction both internal & external. The solutions can be all-encompassing or specific depending on the nature of the problem.

- The council also helps monitor, review and implement the identified strategies.
- Promotional and catalytic in nature, NPC's services have bearings on economic growth and quality of life.
- The Council promotes a comprehensive view of productivity-focused on improving the triple bottom line – economic, environmental and social and adds value for all the stakeholders through generation & application of advanced knowledge for inclusive Growth.
