May 28, 2020

The National Investment & Manufacturing Zones (NIMZs) are means of the National manufacturing policy.

**The NIMZs are envisaged as integrated industrial townships with:**

- State of the art infrastructure.
- Land use on the basis of zoning.
- Clean and energy efficient technology.
- Necessary social infrastructure.
- Skill development facilities etc.

**Aim:**

NIMZs aim to provide a productive environment for persons transitioning from the primary to the secondary And Tertiary sectors.

**What is National Manufacturing Policy (NMP)?**

- The National Manufacturing Policy (NMP) has the objective of enhancing the share of manufacturing in GDP to 25% and creating 100 million jobs over a decade.

- The NMP provides for promotion of clusters and aggregation, especially through the creation of national investment and manufacturing zones (NIMZ).

**Facts about NIMZ:**

- NIMZ can be proposed with a land area of at least 5000 hectares.
- Land will be selected by state governments and preference would be given to uncultivable land.
- NIMZ will be managed by a Special Purpose Vehicle,

headed by. Govt. officials and experts, including those of the environment.

- To enable NIMZs to function as self-governing autonomous bodies, they will be declared by the state government as industrial townships under Article 243 Q (c) of the constitution.
- NIMZs will be notified by the central government.
