About Academy Awards or Oscars Awards

- The Academy Awards, also known as the Oscars, are the most coveted and prestigious awards in the entertainment industry across the globe.
- They are presented annually by the Academy of Motion Picture Arts and Sciences (AMPAS)
- The award was originally sculpted by George Stanley from a design sketch by Cedric Gibbons.
- AMPAS first presented it in 1929 at a private dinner hosted by Douglas Fairbanks in the Hollywood Roosevelt Hotel in what would become known as the 1st Academy Awards.
- The Academy Awards ceremony was first broadcast by radio in 1930 and was televised for the first time in 1953.
- It is the oldest worldwide entertainment awards ceremony and is now televised live worldwide.
- Winners of various categories are awarded a copy of a golden statuette as a trophy, officially known as 'the Academy Award of Merit'.
