

PMG (Project Monitoring Group)

May 9, 2020

What is the project monitoring group?

- The Project Monitoring Group (PMG), Invest India is an institutional mechanism for the expedited resolution of issues and regulatory bottlenecks in **projects with investments upward ₹ 500 Cr.** in India.

Features of PMG

- Currently, PMG is situated at **Invest India, Department of Industry and Internal Trade (DPIIT), Ministry of Commerce.**
- The PMG seeks to enlist the unresolved project issues in respect of all mid and large sized Public, Private and 'Public-Private Partnership' (PPP) Projects and takes up **fast-tracking of approvals**, sectorial policy issues and **removal of bottlenecks** in expeditious commissioning. DPIIT is mandated as the nodal body for the review of public and private projects facing challenges and facilitates their resolution through PMG.
- Working procedure
 - Login to the portal
 - Create project and add issues
 - Monitor issues and status
 - Issue resolved
- The PMG portal provides a **summary of the projects and their issues on a dashboard.** All the relevant stakeholders will be able to view the progress of the project and download reports.
- PMG conducts **periodic meetings** at the state and ministry levels to identify bottlenecks in projects and understand their status by engaging with all the
