The Government of India (GoI) announced the mega event, **RAISE 2020- 'Responsible AI for Social Empowerment 2020,**' to be held from April 11-12 in New Delhi.

About RAISE 2020

- RAISE 2020 is India's **first Artificial Intelligence summit to be organized by the Government in partnership with Industry & Academia.**
- The summit would be a **global meeting of minds to exchange ideas and charter a course to use AI for social empowerment, inclusion, and transformation in key areas like** Healthcare, Agriculture, Education and Smart Mobility amongst other sectors.
- Ahead of the summit, MeitY organized an Industry Consultation with industry representatives to bring in synergies within India's Artificial Intelligence landscape.
- **The event will start with a Startup Challenge – Pitchfest followed by the two-day summit, organized by the Government of India along with the Ministry of Electronics and Information Technology** will witness robust participation from global industry leaders, key opinion makers, Government representatives, and academia.
- The RAISE 2020 Summit will feature some of the most exciting global startups working in Artificial Intelligence related fields.
- It will be a chance for startups to showcase ideas that present great potential in accelerating social

transformation, inclusion, and empowerment.
