

Shikshak Parv Initiative

September 23, 2020

National Education Policy 2020 recommends many transformational ideas for the education sector which will have an impact on every citizen; therefore, it is very **important for the teachers to understand** each and every aspect related to school education minutely. Aiming at the dissemination of NEP, 2020 perspectives into the teacher fraternity and other stakeholders, this teachers' fest is being conducted.

More About Shikshak Parv

- **Renowned scholars, experts from the NCERT and national awardee teachers** will speak from an online forum while presenting infographics in simple manner about the recommendations of the policy.
- They will seek suggestions and the opinions of teachers on various recommendations of the policy for their smooth implementation.
