

The Cyber Crime Prevention against Women and Children (CCPWC) portal

June 23, 2019

It is convenient and user friendly that will enable complainants in reporting cases **without disclosing their identity.**

This will **not only aid the victims/complainants** but also **help the civil society organizations and responsible citizens** to anonymously report complaints pertaining to child pornography, child sexual abuse material or sexually explicit material such as rape and gang rape.

Complainants can also **upload the objectionable content and URL** to assist in the investigation by the State Police.

The complaints registered through this portal will be **handled by police authorities of respective State/UTs.**

There are other features such as a victim or complainant **can track his/her report** by opting for "Report and track" option using his/her mobile number.
