Golf Resort

Golf tourism in India particularly, has a strong potential since **the climatic condition is more favourable in India as compared to most countries**. The picturesque landscapes of the country and exceptional hospitality services too, add to the enhanced experience of golf tourism in India. Today India boasts of more than 230 golf courses in all. The Ministry of Tourism aims to work as a catalyst and active supporter for the development of Golf Tourism in the country.

India has several golf courses of international standards and golf events held in India also attract domestic and international tourists. In order to tap the growing interest in golf tourism, the Ministry of Tourism is creating a **comprehensive and coordinated framework for promoting golf tourism in India as a niche tourism product for attracting both International and domestic tourists**.

The **Golf Course at Thenzawl is designed by Graham Cooke and Associates**, one of the top-ranked Canada based Golf Course architectural firm. The total site area is 105 acres and the play area is 75 acres – 18 hole Golf Course with **sharing fairway and automated sprinkler irrigation system** by Rain

Bird, USA. It is designed to have facilities of international standards. There are 30 **eco-log huts, cafeteria, open air food court, reception area and waiting lounge** etc, all constructed with siberian pinewood and fully furnished with world class furniture and fixtures. The competitive advantage of Thenzawl Golf Course is that it will provide quality golfing experience and international facilities at a fair price.
