What is an alderman ?

- **“Alderman” refers to a member of a city council or municipal body**, with exact responsibilities depending on the location of its usage.
- Etymologically, the **word comes from the combination Old English words for “old” (Anglian, ald or West Saxon, eald)** and “man” (monn in Mercian/Anglian or mann in West Saxon).
- **“Ald/eald” referred to “antique, of ancient origin, belonging to antiquity, primeval; long in existence or use; near the end of the normal span of life; elder, mature, experienced,”** according to the Online Etymology Dictionary The term “ald” itself is derived from “al” meaning “to grow, nourish.”
- The term for man has a more contested origin, with similar root words found in languages from Sanskrit (manuh) to Russian (muzh).
- **“Aldormonn” (Mercian) or “ealdormann” (West Saxon) originally referred to elders of a clan or tribe**, though soon it became a term for king's viceroys, regardless of age.
- Soon, it denoted a more specific title – “chief magistrate of a county,” having both civic and military duties.
- As time passed, it became particularly associated with guilds with chiefs/leaders being referred to as aldormonn.
- In the 12th century CE, as guilds became increasingly associated with municipal governments, the term came to be used for officers of municipal bodies. This is the sense in which it is used till date.

- **The Local Government Act of 1972 finally abolished Aldermen** with voting rights, with effect from 1974, except in the Greater London Council and the London borough councils, where they remained a possibility until 1978.
