

World University Rankings 2022

September 3, 2021

In news- The Times Higher Education (THE) on September 2 announced the results of THE World University Rankings 2022.

THE World University Rankings-

- **UK's University of Oxford retains first place** in the Times Higher Education (THE) ranking.
- **A record 1,662 universities from 99 countries** and regions appear in the table with Azerbaijan, Ecuador, Ethiopia, Fiji and Palestine all represented for the first time.
- **In Asia, mainland China registers its highest ever position in the ranking (16th)** and sees a record 10 universities reach the world top 200, **while South Korea, Japan, Singapore and Hong Kong all achieve their highest positions under the current methodology.**
- Dramatic improvements for the Middle East, as Saudi Arabia and Egypt emerge as the fastest-rising countries in the world.
- The Times Higher Education World University Rankings are the only global performance tables that judge research-intensive universities across all their **core missions: teaching, research, knowledge transfer and international outlook.**
- The Ranking is based on **13 carefully calibrated performance indicators** to provide the most comprehensive and balanced comparisons, trusted by students, academics, university leaders, industry and governments.
- **The performance indicators are grouped into five areas:** Teaching (the learning environment); Research (volume, income and reputation); Citations (research influence); International outlook (staff, students and research);

and Industry income (knowledge transfer).

About Times Higher Education (THE)-

- Times Higher Education (THE) is a magazine reporting specifically on news and issues related to higher education.
- From its first issue, in 1971, until 2008, The Times Higher Education Supplement (THES) was published in

newspaper format and was born out of, and affiliated with, The Times newspaper.

- On 10 January 2008, it was relaunched as a magazine.
- It has been providing trusted performance data on universities for students and their families, academics, university leaders, governments and industry, since 2004.
